LIBRARY ORIENTATION

Library Orientation held at library reading hall from August 22 to August 24, 2023 aimed to introduce new students to the library's resources, services, and facilities. The orientation began with a warm welcome from the library staff and library committee convener. The orientation was attended by first year students from various departments of college, as well as the second and third year students interested in utilizing the library resources. A comprehensive presentation was given on the wide range of resources available at the library, including physical books, e-books, journals, databases, and more. Information about borrowing policies, library services and rules, interlibrary loan services, and access to online resources was provided. Proper library etiquette and conduct were discussed, emphasizing the importance of maintaining a quiet and respectful environment in the library. The orientation concluded with an interactive session with the students. Overall, the library orientation was a successful event.
